9 Mindanao TEIs trained on Curriculum Quality Audit

Academic leaders of nine teacher education institutions (TEIs) that produce teachers for the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM) attended a workshop on Curriculum Quality Audit (CQA) on 18-20 July 2023 in Davao City.

Dr. Joy Hardy, Deputy Director of RCTQ's research partner, the SiMERR National Research Centre at the University of New England Australia, led the conduct of the three-day activity which enabled the participants to gain deep understanding and practice CQA processes using the professional standards for the development or

revision of pre-service teacher education programs. [Read Full Story](#) | [Share on Facebook](#)

“
Curriculum Quality Audit offers many benefits. They include ensuring that pre-service teacher education programs prepare graduates meet the requirements of the Beginning Teacher Career stage, overcoming gaps and redundancies in programs, capacitating teacher educators through course collaboration and dialogue, and publishing research based on the conduct of CQA.

“
Through the Curriculum Quality Audit, we are now realigning our programs especially on teacher education with the vision, mission, goals and objectives (VGMO) of our school and with what is intended in the Philippine Professional Standards for Teachers.

We are now able to revisit and revise our teacher education curriculum so we can produce more quality teachers that can truly address the diverse and unique needs of Bangsamoro learners.
